# The KISHORI VIKAS PROGRAM

An after-school program dedicated to the empowerment of girls in slums.

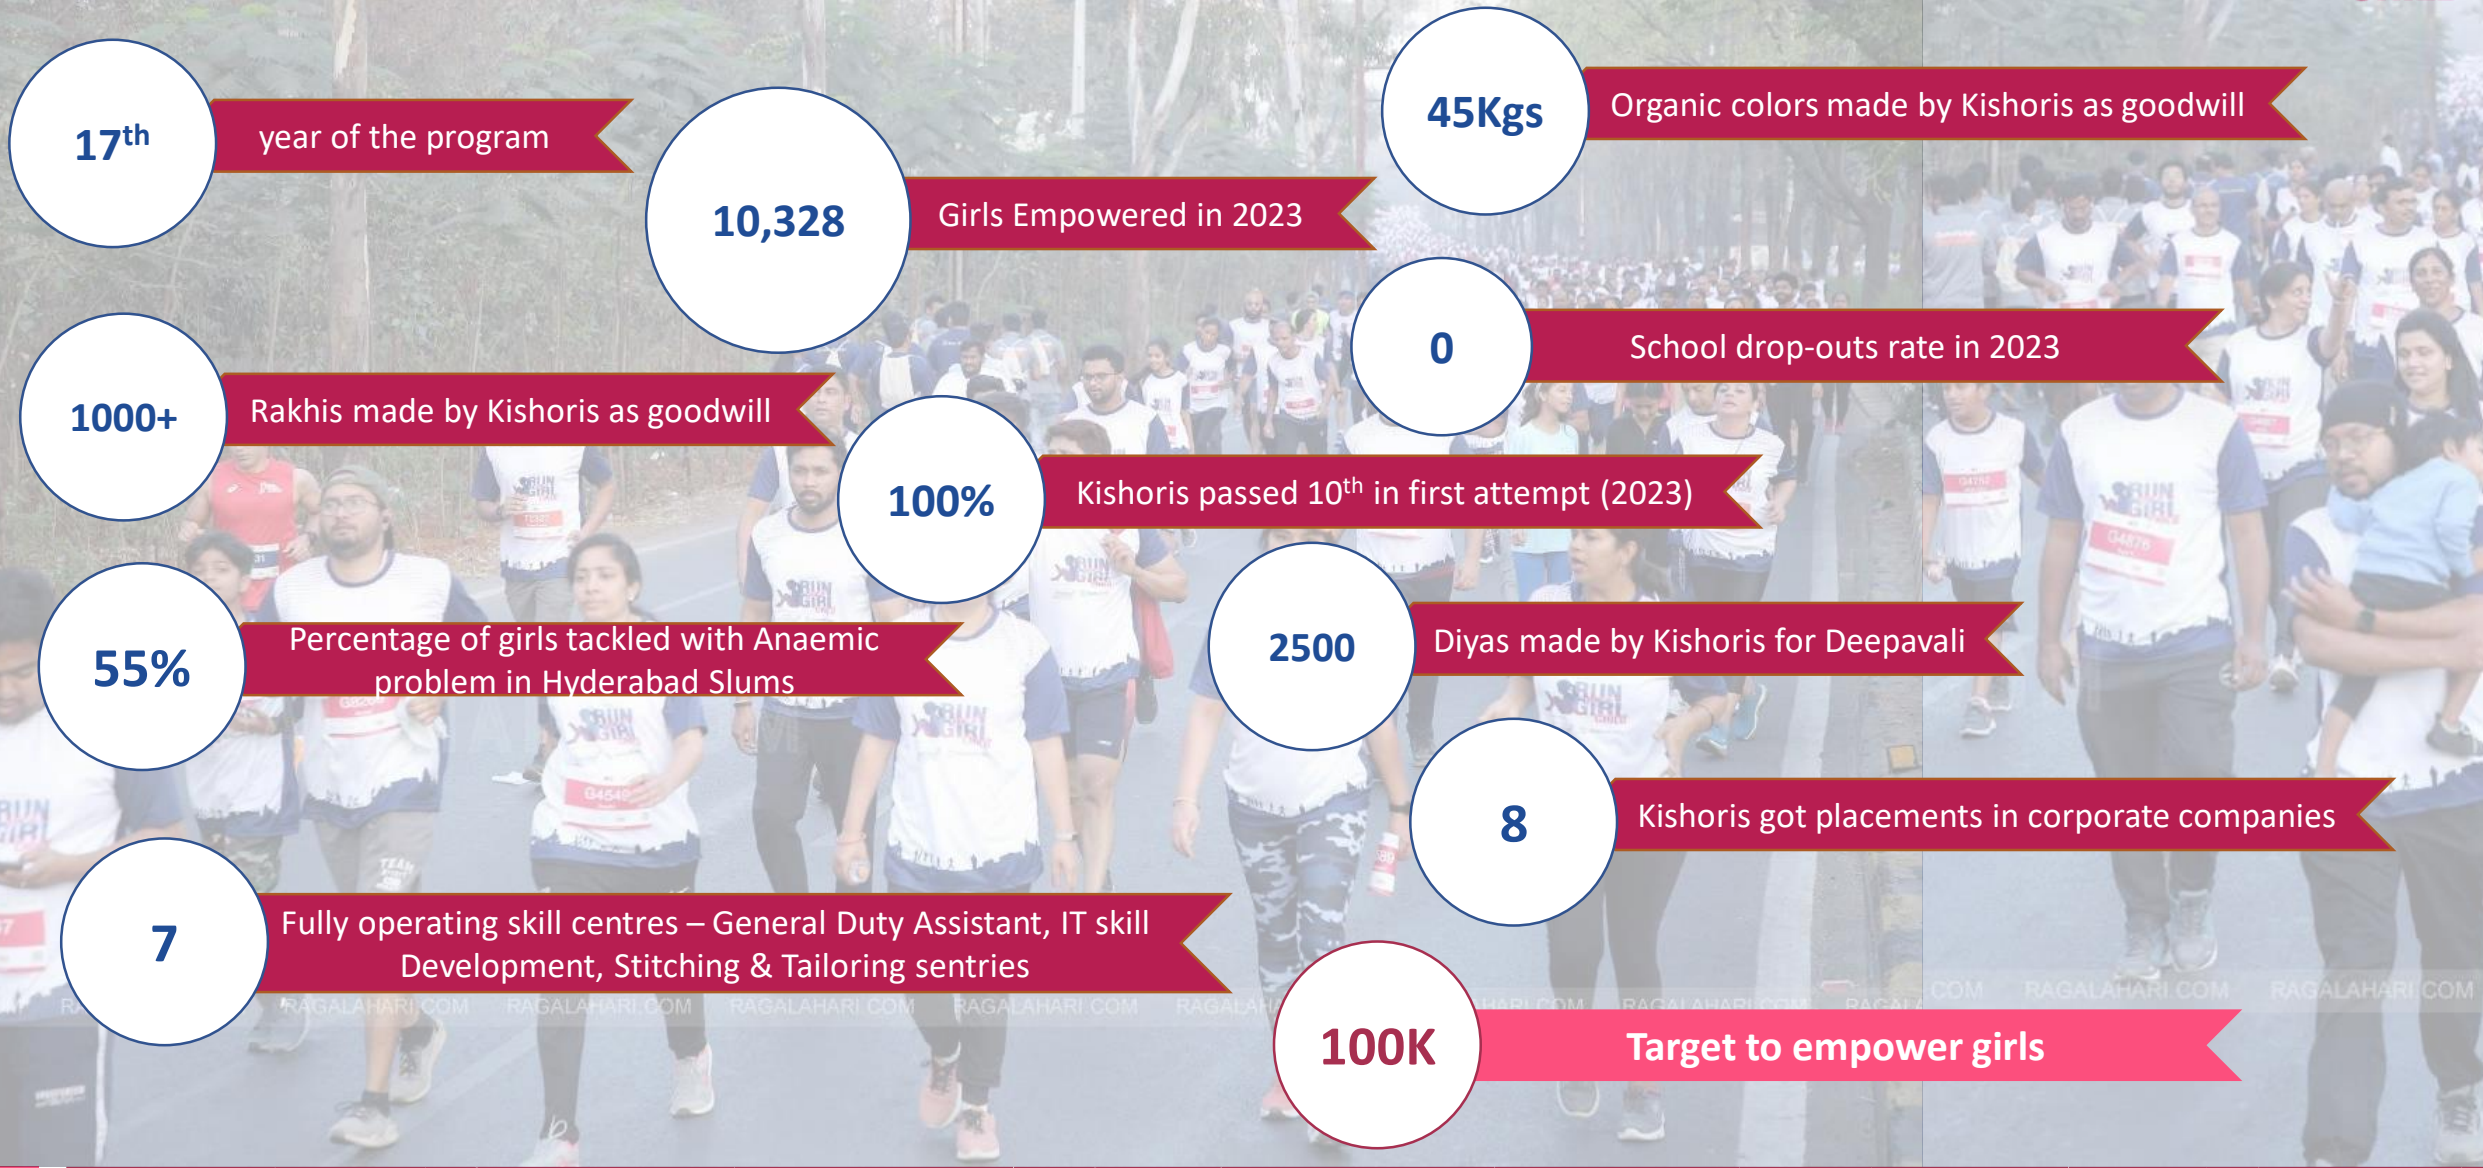

Tutoring in subjects and emphasis on English Physical fitness, nutrition and wellness awareness Training in Self-Defense techniques Counselling to address real life challenges

Kishori Centers of Hyderabad

# Kishori Program Highlights

# Jignyasa

## Mobile Science Laboratory

The aim of this project is to provide access to experiments for government schoolchildren. This is a distant dream for many due to the challenges in the method and priorities. Jignyasa - Mobile Science Laboratory is a program where a four-wheeler is loaded with the science experiment equipment (Zoology, Physics, and Chemistry) is taken to schools and the experiments are showcased.
